

Spring-Flowering Bulb Sale to Benefit Outreach at St. Luke's

This year we are again offering a selection of high-quality spring-flowering bulbs. Look for photos of these beauties in the Sprague room. I hope you enjoy these bulbs as much as I have. Please call me if you have any questions. Laura Danes (383-6222)

Tulip 'Ballade'

A graceful lily-shaped dark raspberry pink tulip with ivory petal edges. Blooms April.

Summer Snowflake (Leucojum)

Tolerates shade and moist soil better than most bulbs. Several dainty white bell-shaped flowers on each stem. Each petal tip has a cute little green dot. Blooms March.

Narcissus 'Paperwhite' (Nov.-Feb.)

New extra large bulbs with 2-3 flowering stems each. Plant several bulbs in soil or pebbles at 4-week intervals for fragrant indoor blooms all winter.

Narcissus 'Rijnveld's Early Sensation'

The earliest daffodil. Similar to King Alfred. Blooms mid-January. Deer-proof.

Muscari 'Valerie Finnis'

This gorgeous sky blue Grape Hyacinth is big enough for a small flower vase. Blooms February-March.
