**Direct from the Episcopal Church of the Sudan!** The Reverend Trevor Stubbs is visiting the United States having recently left his post as interim director of the Bishop Gywnne College in Juba, South Sudan. Our beloved friend, the Reverend Joseph Taban Lasuba now holds that position. On Thursday evening, June 30<sup>th</sup>, please join the Rector and the Rev. Stubbs for dinner and a conversation about the future of the college as well as the Episcopal Church of the Sudan. Socializing will start at 6:00 pm, dinner at 6:30. Father Stubbs presentation will begin at 7 pm in Johnson Hall. To learn more about Bishop Gywnne College go to [www.bishopgywnne.juba.anglican.org](http://www.bishopgywnne.juba.anglican.org)

**Casseroles for Urban Ministries of Durham** has been a ministry of St. Luke's for at least 15 years. The way it works is this: casserole pans plus a recipe, feeding 8-10 persons are available in the Sprague Room for 8 o'clockers and are handed out to those interested after the 10:30 service. Each pan includes the same recipe which is then made at home during the following week. The request is that you return the COOKED casserole to the freezer in the kitchen in Johnson Hall, to be delivered that week by an Urban Ministry volunteer. The recipes are simple and delicious. This ministry will begin again on a more regular basis beginning in June and organized by Monnie Riggan.

**Netsfor Life®** – Check out our NetsforLife® progress on the bulletin board in the Sprague Room. For every mosquito net purchased, a “mosquito” is replaced with a “net”. Help St. Luke’s reach its goal and get rid of these pesky critters quickly. Each chemically-treated net is only \$12 and can save the lives of three children. Details in the June newsletter. See Jan Lamb for more information.

90% of all malaria deaths occur in sub-Saharan Africa. Join the NetsforLife® campaign and help save lives.

**The Outreach Committee** is accepting requests for funding. Written requests should be submitted to Jan Lamb or the church office by July 1. Please see details in the June newsletter.

**St. Luke’s Hosts IHN July 10-12. *We Need YOUR HELP!***

Our next hosting of the Interfaith Hospitality Network will take place July 10-12. Temporarily homeless families stay in area churches, while volunteers from those churches provide rides, shelter and meals. When St. Luke’s hosts, the families stay at Westminster Presbyterian Church. There are usually about 8-12 people in all.

This is a terrific outreach opportunity, with varied ways for you to help—you can drive families in the morning or late afternoon, bring a dinner (or fix it there), eat with the families, or spend the night at Westminster with them (very comfortable, in your own room!). There will be sign-up sheets in the Sprague Room, or you can contact

Edith Keene (493-9539 or [edith.keene@da.org](mailto:edith.keene@da.org)) to get information or volunteer.

Thank you for giving your time and care to members of our community who need help.

### **2012 BELIZE MISSION TEAMS**

We are again forming St. Luke’s Belize Mission Teams for 2012 to work at Holy Cross Anglican School on San Pedro Island in Belize.

We invite all who are interested to join us.

We hope to have two teams (one week each) for the following dates:

Feb 4 to Feb 11, 2012  
Feb 10 to Feb 18, 2012

We again hope to emphasize medical mission work one of the weeks but which week has not been determined.

Both weeks will be involved with construction/maintenance, tutoring children, library work, taking height and weights of the children, testing eyes and what ever other needs can use our help.

If you are interested sign up on the list at the back of the Sprague Room. If you have any question give John Willard a call at 471-0816.
